

# TALATON PARISH COUNCIL

## COMMUNICATIONS POLICY

### AIMS

- To establish clear, easy to use channels of communication between Talaton Parish Council (`the Council`) and the parishioners (`Parishioners`) of the Parish of Talaton (`Parish`), and vice versa.
- To provide information on important matters in an appropriate manner to facilitate and encourage informed comment from interested individuals and groups. The Council aims to be an open and transparent council who listens to their electorate and tries to make a difference to their community within its power and financial constraints.

### INTRODUCTION

Each Parish Councillor (`Councillor`) has a duty to represent, without bias, the interest of the whole community. They will endeavour to do their best and are available to help Parishioners with regard to matters relating to the Parish. They may be contacted by email or telephone and a contact list is displayed on the Council noticeboards around the village as well as the Council Website.

If the matter is important, then contact the Parish Council Clerk (`the Clerk`) by letter or email to ensure that the matter is brought before the Council and dealt with in a suitable and professional manner.

### COUNCILLORS

Councillors are there to listen and represent the views of the community.

Councillors are provided with an official Council email address which is used for all Council communications
