## Editorial

At the Annual Parish Meeting in April I was not in attendance for various reasons, so our report was not presented to the Parish Council. I promised the report would be included herein, so it is in its entirety, so we all know where we are.

May 8<sup>th</sup> passed by with wonderful commemorations around the Country and especially in London. 70 odd Centenarian service members were in attendance, and the BBC did its usual programs superbly. Shame it wasn't a Public Holiday as the 50<sup>th</sup> was... The Pub Pie and Mash was great and I hope well supported as we had to leave a little early.

The evenings concert from Horseguards was fantastic. The next event to finish the War, is VJ Day on 15 August.

Harry Channon had a lovely 100<sup>th</sup> birthday party for friends and family in the Hall, and he gave a wonderful speech, and it was an incredible afternoon, and an honour to be invited. My family and I have known Harry and Lucy since they arrived at Honeysuckle Cottage, entering into village activity very quickly after being drafted into the Pantomime, Harry continuing on stage for many years, and Lucy creating wonderful costumes for us all.

I should have said he was a Centenarian not a Centurion in my last Editorial!

Talaton Talk helps us all to see up to date data for events and functions, and The Calendar runs parallel with it as most events are publicised here as well.

### **100th Birthday**

My hundred<sup>th</sup> birthday is just a memory now, but what a happy one, spent in the company of so many family and friends. I send my thanks to all of you who gave such generous gifts and beautiful cards.

I must make special mention of the knitting group. I never dreamed I would see myself standing and painting on top of a pillar box. Talaton is such a great community. We are fortunate to be surrounded by so much friendship and love. Thank you.

to a well-established wildlife meadow and a thriving pond. A fabulous summerhouse at the top of the garden is a nice place to sit and contemplate with a cuppa and cake. There is a tropical greenhouse and a new cutting garden.

The owners have worked hard to welcome a greater diversity of wildlife into the garden and are always looking for new ideas for different habitats and methods of gardening to encourage bees and butterflies! More info at <https://ngs.org.uk/gardens/weston-house-ex10/>

### Jobs for June

Weed, water, mulch! Feed tomato plants when the first fruit sets and pinch out their side shoots. If you leave these shoots then energy will be diverted into them rather than your crop of fruits. Of course there are always exceptions to rules - don't pinch any side shoots off your Otter Tumbler tom. Tumblers work better for you, as little bush shaped plants.

Mid summer's day should be the time to stop cutting asparagus, give it some well-deserved food and let the shoots grow and flourish until they go brown in the autumn. This will give them a chance to make food for themselves and hopefully give you a good crop in 2026.

If you haven't already done it, build supports for climbing beans and..... keep sowing quick growing salad crops such as radish. They are delicious fresh from the garden. Dead head flowering plants to promote the production of more flowers.

Don't forget to tend some of your crops and flowers so that they are ready for our Annual Show on the 2<sup>nd</sup> August! More about the show in next month's Calendar.

**A BIG THANK YOU** To all those who so generously donated such good plants and pots to our stall and of course to all those who came to buy! We raised £175 for club funds.

Happy gardening

## Annual Parish Meeting Report from The Talaton Calendar

The Calendar goes out 10 months of each year in print, and in digital format where it is arranged. It is linked to the Parish Hall, and Parish Councils websites.

After a difficult past 18 months, when the Calendar was losing money through rising costs, we are now coming back to liquidity, with the support of the Parish Council, and other benefactors, plus increasing advertising rates which had remained static for some time.

So now our print costs are covered by the income we have, and provided this does not diminish we should be stable, for the time being. We are investing in a new laptop for Arnie our compiler, but hoping the software we use continues to be valid and usable as Windows 12 approaches. I am hoping, but not promising the second advertising rate increase this Autumn, may not yet realise. Watch this space!

We have a wonderful band of deliverers across the Village for the paper copies, and mostly the copies are in letterboxes during the last weekend of the month. Our thanks go to them.

Don't forget, Arnie and I are not a closed shop. If there is anyone out there who would like to take over, do please let us get chatting. We are not getting younger, and it could be time for a change as we have been doing this for many years....!
