Editorial

This year sees the 80th anniversary of the Victory Japan commemoration VJ Day, on August 15th when the Japanese finally surrendered and World War 2 ended. This was finalised with the signing of the surrender document on the deck of USS Missouri in Tokyo Bay on 2 September 1945.

As time goes by and WW2 recedes into history, these anniversaries remain important particularly, for the people involved. We commemorate this final Victory to conclude the Second World War after the atomic bombing of Hiroshima and Nagasaki in Japan, which was deemed necessary to prevent further bloodshed, on both sides.

We had the sad death of Martin Mitchell at the Old Rectory recently, and our thoughts and condolences go out to Janice and the family. Martin has been involved in the village along with Janice for many years and will be missed.

The Talaton Inn has changed hands and we welcome the new landlords Angie and John to the village. A party was held in the evening after the BBQ to welcome them here. The BBQ was held and was well attended and excellent as usual, and the burgers delicious. We also had a Red Arrows Flypast!

Jan and Maria will be missed and we wish them well and happiness in their new location.

Details of the Parish Hall AGM are here in, and new Hal members are needed to replace the 3 of us that are leaving.

Talaton Talk has taken off and works well for immediate news around the Village, but please remember not everyone uses social media, and many people will never use it so, if you have an event that needs advertising get the details to us at the Calandar within the noted deadlines and it will be seen by the rest of us as well.

Don't forget the weekly Coffee Mornings resume on 2nd September.

A vibrant yellow background featuring a large sun in the center. Surrounding the sun are various summer-themed icons: a beach ball in the top left, a flower in the top right, a popsicle in the middle left, and a green leaf in the middle right. The words "SUMMER DRAW" are written in large, bold, white capital letters across the center of the sun. Below this, there are three rectangular images: a person in a blue kayak on a river, hands pouring wine from a bottle into a glass with a wooden crate labeled "DARTS FARM" in the foreground, and a three-tiered silver tray filled with various pastries and a cup of tea. In the bottom right corner of the graphic is a circular logo for "cancer charity force" with the tagline "Supporting Local People Affected by Cancer".

SUMMER DRAW

3 FANTASTIC PRIZES TO BE WON

Get ready to add a little sunshine to your summer — our FORCE Summer Draw is officially open!

Talaton Garden Club

Our next meeting is on 1st September, commencing at 7.30pm and Caradoc Doy will be the speaker. He is an experienced horticulturist with more than 30 years experience and is currently based in Topsham

The remaining program is:-

Sat 2nd August	Produce Show
Mon 4th August	No meeting
Mon 1st September	Wonderful winter flowering interest – Caradoc Day
Mon 6th October	Gardeners Question time
Fri 31st October	Pumpkin Competition
Mon 3rd November	AGM with speaker

The cost for the Monday meetings will be £2.50 apart from the AGM which is free. All meetings will be in the Parish Hall, apart for the Garden visits, with proceedings starting at 7.30pm so please arrive in good time. Meetings will conclude with tea/coffee and cake.

Jobs for August and September

Well if this Calendar has arrived through your letterbox before the 1st of the month, which it usually does, you may still be nurturing your show exhibits. If this is the case, then GOOD LUCK and don't forget to follow the class descriptions. Hopefully you will enjoy every minute of the show and enjoy eating and/or sharing your produce.

Talaton Garden Club

Weeding, watering and enjoying the fruits of your labour are traditional jobs for August, but the growing season is not yet over. There is still time to sow many seeds for cropping later this summer, mangetout, carrots, salad leaves, radishes to name but a few. Do feed tomatoes, courgettes, pumpkins and squashes.

Tie up tomatoes, peppers and cucumbers to help support the developing fruits .

Don't forget to keep dead heading your flowering plants to encourage more flower buds to form.

AND don't forget to come to our next club meeting to hear Caradoc Doy.

Happy Gardening

ROBOTs Take To The Air

Not quite true. A stalwart 17 did have a wonderful visit to Upottery Aerodrome -in the sunshine too. I don't think many of us realised how many little aerodromes the area boasted but Upottery was the attraction.

A wee bit of history to put the visit into context. The full history of the aerodrome would and has filled a book. Upottery was the last of three wartime aerodromes to be built in the Blackdown Hills area. Build in an incredibly short time and at incredible cost it became home to the USAAF 439 Troop Carrier Group arriving by road and air on 25th and 26th April 1944. They brought four troop carrying squadrons each with 20 Douglas C47 transport planes all in preparation for what was the still secret invasion of Normandy on D Day. Their arrival was followed by over 1300 paratroopers from the 1st and 2nd battalions of the 506 Parachute Infantry Regiments. Later over 1000 glider troops moved in. It was on the night of 5th June 1944 that Upot-

terry sealed its place in the history books by seeing off the huge armada of planes and troops for action next day, D Day, June 6th 1944.

Our incredibly knowledgeable host for the visit was the Chairman of the Heritage Centre who gave a very wide-ranging talk with original old film. The centre was an unrivalled collection of photos, documents, maps and items from the past. The introduction was followed by a tour of a number of the now largely overgrown key sites that figured largely when the aerodrome was functioning – old control towers, Nissen huts that saw the nerve centre of operations and the amazing main runway that saw so many brave guys head off into the night on June 5th, 1944. The ROBOTs seem to enjoy a bit of a TOP Gear experience driving along this runway!

Left to guard the Field
A great day rounded off as
usual with a very convivial
gathering in the Aviator Café
on the actual Dunkeswell
Aerodrome itself.

Talaton Parish Council Report

The following are some of the items extracted from the minutes but a full copy of the minutes may be viewed on both Parish Noticeboards and on the Parish Web site www.talatonparishcouncil.co.uk

INFORMATION FROM THE MEETINGS OF 2ND JULY

VONEUS

i. Update re Broadband Wayleave Agreement

The signed agreement had now been sent back to the Council's solicitors

ii. Consideration of Connection Issues for some Parishioners

There had been connection issues for a small number of parishioners and some local businesses including the Parish Hall. The Council considered the matter in depth and **AGREED** it would review it again 'as and when' more information became available

ALLOTMENTS UPDATE AND CONSIDERATION OF THE RESULTS OF THE ANNUAL RISK ASSESSMENT

The Landlord of the allotment land had advised that the land transfer to him had still not been completed. Once this has been carried out then it was hoped that the private water connection could be progressed with the Council

The Clerk had e-mailed those allotment holders whose plots had started to look a bit neglected. She had received responses from all holders who provided various explanations and their intentions to get them up to scratch. Some allotment holders had indicated that they may prefer to reduce the size of their plots or to give them up entirely. The annual rental was due in December and it was likely at that time that some of the allotment holders would make final decisions regarding their plots

WILDWOOD ESCAPING BEARS - FOLLOW UP ACTION BY THE COUNCIL (IF ANY)

Andy and Jan May (Managers of Talaton Neighbourhood Watch)

had provided information regarding the two escapees and confirmed that an investigation was being carried out by Wildwood. After some discussion by the Council it was **AGREED** that the Clerk contact Andy and Jan to advise them that they had the Council's full support but that it would await the official report in the first instance, once the investigation had been completed and then consider if it needed to take any further action

i.CONSIDERATION OF THE QUOTES RECEIVED RE MANDATORY REQUIREMENTS FOR A GENERIC EMAIL ACCOUNT HOSTED ON AN AUTHORITY OWNED DOMAIN AND ii.THE APPROVAL OF IT AND E-MAIL POLICY

(These are mandatory requirements for all smaller authorities, excluding parish meetings, as of April 2025. The policy is part of the new Assertion 10: Digital and Data Compliance in the Annual Governance Statement)

After much discussion the following was **RESOLVED:-**

Talaton Parish Council Report **Cont'd**

- a. the Council to have a generic e-mail account hosted on an authority owned domain in order to be compliant *Proposed by Cllr Walker and seconded by Cllr Wood*
- b. the Council to use Planning Online as the provider to carry out the work *Proposed by Cllr Walker and seconded by Cllr Wood*
- c. the Council to approve the IT and E-mail Policy *Proposed by Cllr Bos and seconded by the Chair*

UPDATE FROM PAYTHERDEN SOLAR FARM RE COMMUNITY FUNDING

The Clerk advised that Bluefield had contacted her advising that it was committed to providing the Community Benefit Fund (CBF) associated with the solar farm and was currently working on the format in which this would be set up. It was unlikely that Bluefield would be working with the Devon Community Foundation to administer the CBF. The company had a successful working relationship with Grantscape, one of the biggest community fund management and administration providers in the UK who were involved in other projects in Bluefield's UK portfolio. The Council would be contacted again when further information was available

PLANNING MATTERS (IF ANY)

25/1198/LBC Mr and Mrs R Walker - 1 Ivy Cottages Talaton Exeter EX5 2SD - Proposed Open Fronted Porch on Front North Elevation

A site meeting was carried out on 1st July. After some discussion it was **RESOLVED** that the Council fully supported the application, as the proposed development was sympathetic to the whole building (comprising of three cottages) and the architect instructed, was understanding of this and his plans were in keeping with the existing building and area

TO REPORT ANY DELEGATED DECISIONS OF THE COUNCIL (INCLUDING PLANNING)

i.25/1214/AGR -Mr D Lockwood - Lashbrook Farm Talaton Devon EX5 2RU - Proposed access track will connect the existing farm track past the farmhouse to the concrete slurry store

The following delegated decision was noted :-

This application to create a track across the fields from the farm to the slurry lagoon, using permeable stone, is fully supported by Talaton Parish Council. It keeps large agricultural vehicles off the narrow lanes surrounding the farm; is much more efficient for the farm and beneficial for the environment. No other residential properties are impacted by this development.

ii. 25/1174/FULL and 25/1175/LBC - Mr & Mrs R Buxton, Harris Farm, Talaton. EX5 2RQ – Construction of single storey side extension following demolition of existing boiler house and lean-to

The following delegated decision was noted:-

Whilst we defer to the expertise of the planning team dealing with a listed building; Talaton Parish Council has no reservations whatsoever in supporting this application. The proposal to remove and replace the single storey lean-to structure, is sympathetic to the remaining two-storey parts of the farmhouse and will retain existing features as recom-

Talaton Parish Council Report Cont'd

mended by EDDC Planning and English Heritage, such as the original bricks, together with a new agricultural style roof to replace the asbestos. The applicant is the 3rd generation to inherit this property and he and his wife are doing their best to preserve it for future generations by following all the correct procedures. We applaud their approach and recognise that with a young family, they are just trying to make it a comfortable and practical home for the 21st century without losing any of the heritage. We support their endeavours to maintain and preserve this beautiful farmhouse.

PARISH MAINTENANCE: ITEMS REQUIRING ATTENTION AND AN UPDATE ON ITEMS REPORTED AND TO AGREE ANY FINANCIAL PROVISION (IF APPLICABLE)

- a. The verge from 'Sunhaven' to the Newtown junction – a parishioner had requested that this be cut. (it is a DCC verge). Ed Polding DCC Highway Officer had advised *'this would not be classified as a safety defect so I wouldn't be able to get this cut back by our (DCC) contractor. I will try to arrange for me and a colleague to attend and cut it back whenever we are both free'*.
- b. The saplings and ivy growing out of the railway bridge – these had been reported to Network Rail and had been logged for appropriate action
- c. The hedge outside Orchard Close bungalows – EDDC had advised that their officer would attend on site to assess what work was required. (It was understood that the work had now been carried out)
- d. Escot Estate debris run off causing obstruction to the highway – Ed Polding had advised *'I have spoken to the landowners, and they have assured me that there will be a change of field usage before the winter months so this should prevent the debris issues that we have experienced. I will be monitoring the situation and be back in touch with them if nothing changes'* It was understood that the estate now had a new land agent and the field in question would likely be put to grass. If this was the case then this would not improve the situation significantly in the first year (as the grass would not be strong enough). However improvements should be seen in following years. The Clerk was requested to pass this information to Ed Polding
- e. The blue abandoned car at Hillside - had been removed
- f. Chevron sign near railway bridge – DCC had advised that the problem had been repaired
- g. The road surface worn away at Blackpit Lane – DCC had advised that it did not meet DCC criteria for repair
- h. White lines at Bittery Cross – an assessment would be carried out by DCC – (On the DCC interactive map the matter was reported as far back as 2022!)
- i. Rosemary Lane potholes – a repair was due to be undertaken/or had already been undertaken
- j. Potholes From Talaton Cross to Beacon Cross – the problem had been repaired
- k. The works recently carried out by SWW in the centre of the village (opposite the telephone box) had caused problems for many parishioners as no notice had been given of the closure. However whilst the road was closed a medical emergency had resulted in serious issues for the medical team as they were unable to access the patient in their emergency vehicles. The Clerk had raised the issue with the DCC Highway Officer Ed Polding who had advised *'The works that started on the 28th June were emergen-*

Talaton Parish Council Report Cont'd

cy works for a burst water main, totally unrelated to the scheduled works to replace a defective cover. The official diversion route that SWW have set up was unsuitable, so I have asked our coordination team to amend it to a more suitable route as soon as possible. Unfortunately, there will be nothing we can do to stop other vehicles trying to avoid the closure locally though I'm afraid. The utility companies are allowed to close roads with little to no warning under emergency powers, to restore service, so that it why there was no advanced warning in this instance. The emergency services would have been notified by our coordination team when they processed the application however they will often just use the quickest route they can find`

The Council was not happy with this explanation as the 'emergency' had been reported to SWW some weeks ago. In addition the work carried out to the road surface would suggest a substandard repair, which would require further repair work to be carried out in a short space of time. The Clerk was instructed to ascertain from DCC/ SWW whether the works scheduled for one day on 13th August and at the same location (*S18 Highway Cover Repair Works*) would still be going ahead by Kier on behalf of SWW.

ITEMS FOR INFORMATION: The next Drop In would be on 25th October at 10.30am. Both defibrillators had been checked and were in good order

DATE OF NEXT MEETING: 3rd September 2025

News from Talaton Community Shop

Showcasing our Local Suppliers

Meat from the Butcher, Bread from the Baker
Both available from Talaton Community Shop

MEAT: Lovely pork sausages, Traditional and Old English are a year-round favourite, either for the BBQ or a winter warming sausage casserole. Their slimmer cousins the Chipolatas are full of flavour! Bacon; smoked or unsmoked – both are delicious. We also have various cuts of chicken and minced beef steak. Other meat is available to order.

BREAD: Baked on their premises and delivered to us the same day.

NO ADDITIVES NO PRESERVATIVES NO PALM OIL

White, Wholemeal and Granary in small and large sliced loaves

Un-sliced loaves are available to order

DELIVERY DAYS: Tuesday and Friday for all products. If we have run out before the next delivery, we keep meat and bread in the freezer. Regular or one-off orders can be taken.

Shop Opening Hours

MONDAY hours are extended. We now open from 9am – 3.45pm

Bank Holiday Monday 25th August

OPEN as usual

Talaton Community Shop
