Editorial

Hearty congratulations to Arnie (Mark) and Lisa, who got married a few weeks ago at Woodbury Park. Weather was kind and we were invited for the evening which was much enjoyed. Very best wishes to you both from all of us.

Here we are our last summer edition. Next Month we all have a month off until September when we compile and issue the next Calendar through your door near the end of September. In the meantime Talaton Talk on Facebook is always running and together with the Hall website will keep you up to date, should you have access to either.

The Village BBQ last weekend was a great success and well attended. The weather despite early in the day being not very nice, was kind to us for the event itself, where many familiar faces and some new ones, attended. The cooking was excellent by the Hawkins family to whom grateful thanks are extended. A great Village event enjoyed by all.

Last month an event in the Hall was staged as the "Bar Steward sons of Val Doonican." It is sold out on line by them and their organisation every year, so doesn't get much local advertising, but when they are here again, it really is a fun show, albeit for ones with the right acquired taste. I enjoyed it as I was there on this occasion, with the bar staff serving.

Editor - Simon Spencer

A message from the Peters Family:

A huge thank you from Andrew Peters to all neighbours and family who have been so supportive and helpful recently.

YOUNG COMMUNITY THEATRE 4ALL

**RESTARTS ON TUESDAY 5th SEPTEMBER FROM
4.30pm TO 5.30pm IN TALATON PARISH HALL**

The group meets regularly every Tuesday evening and is open to all interested young people in school years 4 to 9, irrespective of previous experience.

Young Community Theatre 4All is lead by Tom and Frances Samson both of whom are retired teachers. Tom trained in Drama and Theatre Arts at Dartington College of Arts in the 1970s. Both Tom and Frances have enhanced DBS clearance for working with young people.

Young Community Theatre 4All is the youth group that is linked to the adult group and it is hoped that in time young performers will ultimately want to join the adult group. The initial aim of the group is, however, to have fun and in the process develop self-confident and articulate young people through a range of Drama activities and performances.

During 2023/24 Young Community Theatre 4All will present their own theatrical performance (more details later) as well as joining forces with the adult group for an open-air performance of "Toad of Toad Hall".

There is a termly membership charge of £25 (to cover hall hire fees and basic production costs).

Further details can be obtained by emailing Tom Samson at communitytheatre4all@yahoo.co.uk

Talaton Clay Shoot

Your "not for profit" club, run by Talaton villagers with its own local ground and equipment. Unbeatable value right here in the parish.

Want to keep your eye in off season or try out a new hobby in a safe and friendly environment?

We normally meet the first Saturday of the month to shoot 40 clays for £10, far less than the price of commercial sites.

Cartridges can be supplied at cost price if you don't have your own. New to the sport? No problem. Newcomers will be given a safety briefing and instruction. You just need ear defenders and wellies. If you enjoy it then join for little more than the annual cost of insurance.

Contact Phil (822523) David (07484706989) or any other member of the club for more info.

Things to do in August

First things first **The Show**

Make sure you place your entry form in the box in Talaton Community Shop by 6pm on Wednesday 2nd and don't eat your exhibits before Saturday evening. Collect some bench cards at the same time. This saves you time on Saturday morning.

Please enter as much as you can. It is free to all members and to all children. So it costs you nothing if one of your potential prize winners gets demolished the night before.

August is traditionally time to enjoy the fruits of your labour so it is no coincidence that our annual show is held this month. This year's extraordinary weather has made testing times for gardeners, roses have flourished while veg and lawns have suffered. It will be interesting to see whether any of us have broad beans or any soft fruit left to exhibit. Perhaps the early harvest of raspberries, currants and gooseberries will mean bumper preserve entries, let's hope so.

Many crops have matured early, but the growing season is not over yet. There is still time to plant many seeds for cropping later this summer, mangetout, carrots, salad leaves, radishes to name but a few.

Do feed tomatoes, courgettes, pumpkins and squashes. Tie up tomatoes, peppers and cucumbers to help support the developing fruits. Don't forget to keep dead heading your flowering plants to encourage more flower buds to form.

Good luck to all exhibitors. Please come and enjoy the show even if you feel you have nothing to exhibit. Everyone is welcome once the judging is over.

Happy Gardening

Talaton Parish Council Report

The following are major items from the minutes but a full copy of the minutes may be viewed on both Parish Noticeboards and on the Parish Web site www.talatonparishcouncil.co.uk

PARISH MAINTENANCE: ITEMS REQUIRING ATTENTION AND UPDATE ON ITEMS REPORTED (INCLUDING REMOVAL OF SWW SIGNAGE)

The DCC Highway Officer, Dan Wood had provided the following information in respect of the various parish maintenance issues:-

Finger Post at the Junction of New Town (Pointing in the wrong direction)

He would pass the sign post matter onto DCC's technician to see if there was the budget available to deal with the sign. However he advised that finger posts were an extremely low priority, as they were not considered to be a safety defect. DCC only had a limited signage budget, which was normally spent on issues with warning signs etc.

Verge – Bittery Cross

DCC only cut those verges that were identified as visibility splays. Contractors were in the process of undertaking these works currently.

Steps in front of Bankside

These would be inspected shortly. (It was reported at the meeting that the repairs had now been undertaken).

The remarking of the Give way lines at Bittery Cross

They would not be considered a safety defect in accordance with DCC's policy, therefore wouldn't warrant any immediate further action. Talaton would be put forward under the Parish Remark Scheme, where lining work should be undertaken at some point .

Potholes

He would attend the Fairmile road and report any safety defect potholes to the DCC contractor for repair. However they would only be

Talaton Parish Council Report Cont'd

repaired if they met the safety defect criteria of being 300mm wide with a 40mm deep straight edge. (It was noted at the meeting that some of the potholes in this location had been attended to. There were other potholes at various locations in the Parish but currently did not meet the criteria necessary to be repaired by DCC)

Misc Matters

Cllr Peters advised that the ditch by the dog bin at the Newtown junction required clearing and he was willing to undertake this task. The Clerk would check with DCC to see if this was permissible (if the ditch formed part of the highway verge)

SWW Signage

It was understood that the SWW signs littered around the Parish had now been collected by Kier contractors. However there was a DCC sign by the dog bin at the Newtown junction which required removal. The Clerk would contact DCC accordingly

Talaton Open Gardens Weekend Update

Another £20 has winged it's way into the bank to make the final total raised £2,528. Once again, well done everyone and thank you. Now, as promised in June's Calendar, here is the poem and the accompanying letter, which an inspired visitor sent to the owners of each of the gardens she visited.

Dear Owners,

On Sunday 28th May our family came to view Talaton's open gardens and what a treat it was. The enclosed poem is a thank you to each and everyone of you who loves your garden and has put time and effort over the years, in one case a lifetime, to nurture them, and for generously sharing them with us and many others.

Please forgive any errors of memory I may have made. Should you require any amendments to your particular verse you may contact me.

It was an afternoon I shan't forget and I hope it raised a good amount for charity.

*Yours Sincerely,
Lyn Darrant*

Open Gardens at Talaton

We've come to view of this well kept village,
Enjoy May sunshine and spend some glorious hours
Talking to owners, sitting beneath the trees,
Or walking paths and stopping to smell flowers.

We begin at the Old Post Office of postage stamp size.
With the red post box set in a wall where wisteria weeps,
Every inch is packed with colourful pots, with a pond and seat,
A copper toned bird bath and on a corner beneath a fern a faerie sleeps

Westbrook is a modern bungalow with a flowerpot man sat on a bench
To welcome you, and views which stretch for miles towards Dartmoor,
Clumps of blue and purple iris frequent immaculate borders
While bluetits flit across the boundary hedge and yellow roses frame
it's door.

At no 1 End Cottage where a Morris Minor's parked,
The garden splits into two levels behind the house,
Here stand fruiting orange and lemon trees, a pebble pool and smokery,
And curled beneath the tree upon the lawn is a cat called Mouse.

Russet House a nostalgic walk of past house names
Among its paths and beds of flowering shrubs with birch trees
And a rowan , a greenhouse, vegetable beds and succulents.
And two crinodendrons trailing fuchsia pink blooms upon the breeze.

Talaton is a big house in the village, beyond it's cattle grid
There is a towering pine wood and a meadow for gathering posies,
It's terrace walk boasts pink and blue floibundas while wrought iron
arches
Support white wisteria and clematis and cascading climbing roses.

Talaton Cottage garden is planted with an artist's eye
In island beds where a palette of colourful annuals grow with fox-
gloves tall,
With gravel paths that lead you on, apple trees and a pond with irises
and a studio of paintings, all accessed via a welcoming wisteria water-
fall.

Lady Boles resides now at The Cobbler's whose thatched roof
Bears a boot, a shoe and a clog to reveal its history,
A summerhouse, and a bench overlook meadow flowers fluttering
Among the grasses in a mini orchard with a metallic family tree.

Moor Cottage has a long garden of interlocking rooms
Divided by a shed, summerhouse and a rustic white rose arbour
With Astrantia and velvet 'Rebecca' winding through gnarled branch-
es,
It ends with a bog garden, bees and moor views in place of neighbours.

Hot and happily weary with mildly aching feet,
We conclude our tour at the village hall
Where we're refreshed by cups of tea and homemade cake
While we sit and reminisce about our visit and the beauty of it all.

L. Darrant '23

So finally, thank you Lyn, for the taking the time to write. You spread the joy.

The Return of the annual Village BBQ

.....and how very special to see such a splendid turnout of Talatonians, friends and visitors all helping to make the whole event such a happy occasion. Even the sun shone despite our worries earlier in the day.

A massive thank you to everyone involved in the planning, preparation, running AND the clearing up! Never before has there been such a willing team of helpers – across all ages- ROBOTS, young dads, young mums, musicians, and everyone in between.

Thank you all for making it so much fun this year. However, perhaps first prize has to go to the amazing and wonderful Hawkins BBQ team – they never ever disappoint so thank you for all your hard work.

Out of interest, John and Henry Buxton's British Blue calf weighed in at 66.6kg whilst the Friesian calf was named Mist.

On the skittle alley the winners were:

0 to 8 years - **Connie Clark**
(winning the category at the tender age of 2!)

9 to 14 years - **Caitlin Lovering**
(whose score of 16 was also the highest of the night overall)

15 plus years - **Jack Quinn**

(victory sealed after a high stakes one ball play off against James Davies and Arnie James).

Thank you all again.

Rainfall at the Cobblers/Parish Hall 100 Club

Rainfall at the Cobblers in Talaton During June

June was a hot and dry month with a few storms in Scotland. The average temperatures well above the normal especially in Western areas, most of the UK enjoyed, or endured the hot weather which made this June the warmest since 1884. Rainfall was almost universally below normal and the South West was particularly hot and dry, with only 68% of the normal rain.

Sunshine was above the normal making June the 4th sunniest since 1910. A maximum temperature of 32.2 C was recorded in Surry and in Lincolnshire on the 25th and the lowest of -2.6 C at Kinbrace in Sutherland on 2nd. On the 19th 70.4ms or 2.8 inches of rain fell in 24 hours at Wiley Sike in Cumbria.

Here in Talaton there were 26 days of no rain, (the first 16 consecutive days,) then 5 days of rain from the 17 to 21st the rest of the month was dry, bringing the monthly total to a grand 11.0mm or 0.4 of an inch.

So our total for the first 6 months of this year is a measly 15.4 inches.

Talaton ROBOTs Museum Visit

Back in June 14 Talaton ROBOTs (**R**etired **O**ld **B**oys of **T**alaton – retired but still managing to include a bit of culture in their busy retirement lives) were treated to a guided tour of the famous Exeter Royal Albert Memorial Museum (voted the nation’s “museum of the year” in 2012). Alison was our superb volunteer guide on a tour that was the brainchild of a fellow ROBOT, Neil Bollen, who is a fine metal specialist, and undertakes some of the museum’s specialist conservation work. Briefly, when it opened in the 1860s the ornate building on Queen Street housed not only a museum space but a Library, a college (later to become the University of Exeter) and an art gallery (later giving rise to the Plymouth College of Art). Many of us have previously visited with our children or grandchildren but the guided tour revealed so much more. For instance, we learned more of Joanna Southcott a deeply religious local girl who never married but eventually built up a large and devoted following of people who believed that she could foresee the future and also, at the age of 64, that she was carrying the child of God. She was widely believed and left a sealed wooden box of further prophecies upon her death – childless in the end! Even up to a few years ago some remaining devotees of hers used to publish adverts about her in the press. How local was she? Born in 1750 in Taleford!

We also marvelled at the elaborate and very large 3D model of Exeter which shows in extraordinary detail what the city looked like in the past. So many churches within the tightly packed housing. The tour was advertised as lasting an hour but after two hours we had to end it but realised just how much we had learned and how much more there was to see.

As with all ROBOT excursions we adjourned to a suitable place of refreshment, on this occasion the cool airy interior of the upstairs lounge at the Turk’s Head. Here over a relaxed pint and lunch we settled all the problems of the world and agreed that there cannot be many clubs with such a varied programme of activities – football, tanks, classical music concerts, horse-racing, walks and history. New members will be warmly welcomed.

The next event? Could be boat building on Dartmoor! Now there’s a thought.
