Editorial

So, another lock down hits us. Infections rampant, even in our village, so take extra care and keep safer than ever.. Masks are awful, but they do a job.

In the light of this we are continuing to print and deliver the Calendar. Our stalwart deliverers all agreed to continue to deliver, despite these issues, but you may find the copies perhaps on your doorstep only, and not thru your letterbox. If that happens and your copy is unreadable let me know and I will send a pdf copy to you, or it is on the Parish Councils web site.

We met Rosemary in front of the shop and had a nice retirement hand-over (see the cover) with contributions from around the village. She was given the formal Freedom of the Village for her deliveries of the Calendar over the past nearly 40 years. Thanks again to you Rosemary.

We have lost some advertisers recently so spaces are available for new ones.

The Posh Nosh meals in the car park were sampled by us recently and they were lovely, so try them.

Tom and Frances are leaving the village for a new home in Mid Devon, so our thanks and best wishes go to them both. Hopefully we will see them from time to time, and they will be missed

Keep safe.

Editor - Simon Spencer

Next Deadline is 10th February

St James the Great

Our church is opened daily for quiet contemplation and prayer and for those who just wish to enjoy its peace. It is sanitised every night for our safety and there is a bottle of hand sanitiser in the porch for your use on the way in and out. Face masks/visors must be worn within the church.

No services are being held in St James at present but services continue at St Mary's Whimble. Please let the church warden know that you intend to attend a particular service, so that he/she is able to plan the seating.

It is understandable that many in our congregation may feel it is too risky to attend a service in person, so the extra good news is that Rev. Marc is continuing his services on **Youtube - From the Curate's Study and/or The Curate's House and his short talks entitled Wondering Wednesdays** mid week, and for children, **Kid's Club**.

If you do not have access to a computer :-

Every Thursday 9am join the Morning Prayer Service based on Celtic Daily Prayer (Northumbrian Community) and Daily Prayer (Church of England) via a telephone conference call. Details from Pam Weston on 822864.

Covid19 is not going away. Circumstances will change and with that new parameters will be set. Notices of altered services will be posted on line, in the church porch and the Community Shop.

Keep safe, keep looking after each other and God Bless

Mission and Pastoral Measure 2011 Draft Pastoral Scheme

4th January 2021

The Exeter Diocesan Mission and Pastoral Committee has prepared a draft Pastoral Scheme for:

(i) altering the areas of the parishes of Pinhoe; Poltimore; Broadclyst; Whimble; Rockbeare; Clyst Honiton; Sowton; Holy Trinity Exeter; Clyst St Lawrence; Clyst Hydon; Clyst St Mary; and Farringdon;

(ii) the dissolution of the benefice of Broadclyst, Clyst Honiton, Pinhoe, Rockbeare and Sowton and terminating the team ministry established for its area;

(iii) the dissolution of the benefice of Whimble, Talaton, Clyst St Lawrence and Clyst Hydon;

(iv) the dissolution of the benefice and parish of Poltimore, and its area to be incorporated into the parish of Pinhoe and associated matters including the creation of the new benefice of Pinhoe with Poltimore, the appointment of its first incumbent and her place of residence and the future patronage arrangements for the new benefice; and

(v) the creation of the new benefice of Broadclyst, Clyst Honiton, Clyst Hydon, Clyst St Lawrence, Rockbeare, Sowton, Talaton and Whimble, the establishment of a team ministry for its area, the cure of souls to be shared by a team rector and two team vicars, the appointment of the team rector and one of the team vicars and their housing arrangements, and for the future patronage arrangements for the new benefice

in the diocese of Exeter.

The draft Scheme is on the Commissioners' website www.churchofengland.org/consultation or you may obtain a copy from me. Large print and/or audio copies are available on request.

- Anyone may make representations **for** or **against** all or any part of the draft Scheme (please include the reasons for your views) preferably by email or by post to reach the Commissioners no later than midnight on **Monday 15th February 2021**. **Send your representation to rex.andrew@churchofengland.org or by a letter marked for the attention of Rex Andrew, Pastoral Division, Church Commissioners, Church House, Great Smith Street, LONDON SW1P 3AZ.**
- If they have not acknowledged receipt of your representation before this date, please ring 020 7898 1743 or e-mail them to ensure it has been received. For administrative purposes, a petition will be classed as a single representation and the Commissioners will only correspond with the sender of the petition, if known, or otherwise the first signatory for whom they can identify an address – “the primary petitioner”.
- When making a representation, please indicate the nature of your interest in the proposals (e.g. parishioner, member of parochial church council, etc) and whether you would like an opportunity to speak to their Committee regarding your representation if the Commissioners decide a hearing should be held regarding the case.
- If they receive representations against the draft Scheme, they will send them, and any representations supporting the draft Scheme, to the Bishop whose views will be sought. Individual representors and the primary petitioner will then receive copies of the correspondence with the Bishop (including copies of all the representations) and will be told whether a hearing is to be held. They and individual petitioners may comment further to the Commissioners.

St James the Great & Talaton Parish Hall 100 Club

Copies of all of the representations received and associated correspondence will normally be published on the Commissioners' website if the matter needs to be considered by them.

- If a hearing is held, anyone may attend the meeting of the Commissioners that considers the case and representors may have an opportunity to speak to their Committee. Otherwise, if a hearing is not to be held, the case will be considered in private and you will be informed accordingly.
- When they acknowledge representations the Commissioners will let individual representors (and the primary petitioner) know the next few dates of their Committee's meetings. They will confirm the actual date if a hearing is to be held nearer the time.
- The Commissioners' will decide if the draft Scheme should proceed when they consider all the representations on the basis of a paper prepared by the Commissioners' staff and any points raised at the meeting.
- The Commissioners will notify all representors of their decision and give a statement of the reasons for it.
- If they so decide, any representor or petitioner against the draft Scheme may seek leave from the Privy Council to appeal against the decision.

Please see the Commissioners' website www.churchofengland.org/consultation for further information about the procedure.

Avian influenza (bird flu)

New housing measures came into force in England, Scotland and Wales on 14 December.

Whether you keep just a few birds as pets or thousands, from 14 December onwards you will be legally required to keep your birds indoors or take appropriate steps to keep them separate from wild birds.

Visit the village website for more details
www.talatonparishcouncil.co.uk

<https://www.gov.uk/government/news/avian-influenza-bird-flu-national-prevention-zone-declared>

Poultry and captive bird keepers and members of the public should **report dead wild birds to the Defra helpline on 03459 33 55 77** (option 7), and keepers should report suspicion of disease to APHA on 03000 200 301.

The Food Standards Agency has said that on the basis of the current scientific evidence, avian influenza poses a very low food safety risk for UK consumers. Properly cooked poultry and poultry products, including eggs, are safe to eat.

Rainfall at the Cobblers in Talaton

Rainfall at the Cobblers in Talaton during November & December 2020.

November

The month mild then turned briefly colder with frosts during the nights of 3rd and 4th • From the 7th/25th it was mild} wet, and windy. It then turned colder, and we had 3 nights of frost to end the month.

Here at Talaton I measured 83ms which is 3.32 inches of rain, there were 8 days in the month with no rain and 5 nights of frost.

Our total rainfall stands at 37.62 for the year so far.

The Met Office Said that this November was the 6th warmest since 1884! Overall rain fall was 84% of the normal and the sunshine was 93%.

A maximum temperature of 18.4C was recorded at Thornes Park in West Yorkshire on the 1st and a minimum of minus -6.1C at Aboyne in Aberdeenshire. Here I must apologies for an error in my last report when I said the In October the lowest temperature was at Tyndrum in Scotland with minus -33C. I am glad to say that as I got that dammed dot in the wrong place and it was only minus -3.3C and so not that arctic.

During the month there was some flooding and road and rail disruption, but for all that the Met Office said it was the 5th warmest November since 1884.

December

December started unsettled and turned cold with spells of rain and snow on higher ground. From the 23rd on there were strong winds, and the later part of the month saw colder, wetter weather with snow on high ground all due to Storm Bella.

In Talaton I recorded 141ms or 5.67 inches of rain, there were 6 days with no rain and 11 days of night frosts with minus -3.56 C being the coldest on the 31st
Our Total rain fall for the year is 43.29 inches.

The maximum temperature in the UK was 14.9C recorded in Prestatyn in Wales

on 18th the lowest was minus -10.2C at Dalwhinny in Scotland. Rainfall was 135% of the average, but parts of Scotland, East Anglia and Gloucestershire had more than twice the normal. In 24 hours of the 27th 109 ms or 4.36 inches of rain fell on Honiston Pass in Cumbria. 18cms of snow were recorded in Loch Glascarnoch in Scotland on the 27th

Assessment by the Met Office of the weather across the UK during 2020

The weather over the UK during 2020 was the 3rd warmest year since 1862 and the 8th since 1919.

There was heavy flooding in February.

There were 10 named storms during the year.

The provisional UK average temperature was 9.6C which is 0.8C above average.

The 3rd highest temperature ever recorded was on 31st July at Heathrow with 37.8C.

The coldest place was Dalwhinny in Scotland with minus -10.2C.

February was the wettest month on record.

The total rainfall over the UK was 1308 ms. or 52.32 inches.

The sunshine was over the UK was 1495 hours which is 109% of the average.

Talaton Parish Council Report

The following are major items from the minutes but a full copy of the minutes may be viewed on both Parish Noticeboards and on the Parish Web site www.talatonparishcouncil.co.uk

A Remote Meeting of the Parish Council was held on Wednesday 2nd December 2020

Finance

To approve budget for 21/22 a budget of £13,017 was proposed this would include £3000 for future eco projects. A precept request of £8722 would be submitted, this is an increase of £86.36 (1%) on last year. Finance matters Proposed for approval by Cllr Lenehan, seconded by Cllr Hawkins, all in favour.

Parish Maintenance: Items requiring attention including updates – Large Pothole past Rydon Farm has been filled, Rydon Cottages potholes still to be filled. Several of the drains that were reported as being blocked have been cleared. The drain that is blocked above Woodmans Orchard needs further investigation

Grant Giving – Only 2 applications received. Tale Valley Trust were awarded £200 towards their ongoing work to clear the Himalayan Balsam. The other application was from Gary Nelson for the Window Wanderland project to brighten up the neighbourhood and bring the community together in the approach to Christmas – a grant of £150 was awarded. The remaining £150 of Grant Money will be carried over to next year.

A Extraordinary Meeting of the Parish Council was held on the 17th December 2020

To confer the title of Honorary Freeman of the Parish

- 1) The 2009 Local Democracy, Economic Development and Construction Act (Chapter 5) gives legislation for all Councils to create Honorary Freedoms. The Act permits all Councils to grant the title of Freeman on persons of distinction and to persons who have, in the opinion of the Council, rendered eminent services to that place or area.
- 2) To exercise the power a meeting of the Council has to be specially convened for the purpose, with the agenda and notice of the meeting specifying the object of the meeting. The resolution to grant the Freedom has to be approved by 'not less than two thirds of the members of the Council who vote on it'.

It should be noted that the admission of a person as Honorary Freeman or Honorary Free-woman does not confer on that person any rights or privileges, other than the title itself.

After a short discussion a unanimous vote was taken to confer the title on Rosemary Glanville, in recognition of long-standing service to the community in delivering the Talaton Calendar to every dwelling within the parish for a period of 40 years. Proposed by Cllr Lenehan, seconded by Cllr Samson, all in favour.

Talaton Parish Council Report Cont'd

A Remote Meeting of the Parish Council was held on Wednesday 6th January 2021

Correspondence or verbal communications:

Cllr Samson Resignation Letter – Cllr Samson tendered his resignation to take effect from 7th January as he is moving out of the village. The Chairman thanked him for all the work he had done since taking office, he was responsible for the sourcing and installation of the Defibrillators and the Noticeboard on The Moor along with a lot more. Cllr Samson will be greatly missed. Cllr Samson responded by saying that he had enjoyed his time on the PC and he had learned a lot. The Clerk will inform EDDC of his resignation.

To consider Planning Application: 20/2746/FUL - Larkbeare Lodge Talaton-

Proposed demolition of buildings, change of use and conversion of existing buildings to two residential dwellings, construction of car port and associated works – due to COVID-19 restrictions it was not possible to carry out a site visit. Following a discussion, the PC took a vote with a unanimous decision to support the application, proposed by Cllr Lenehan, seconded by Cllr Samson. The following comment to be sent to EDDC The Parish Council support the application.

Small organic growth of the village is exactly the type of development we would like to see within the Parish. The proposal would make a great visual improvement to the area and bring redundant buildings back into use and we particularly appreciate that they would be for residential use as opposed to holiday lets.

We cannot comment on whether it meets with strategies and policies. On this matter, East Devon has greater expertise than we do. However, assuming it does meet all the requirements of local and national planning regulations, we are happy to support the application.

Parish Maintenance: Items requiring attention including updates – Cllr Peters has been out trying to unblock the drain above Woodmans Orchard, he also met with the Highways Officer on another occasion where they also looked at the drain on The Moor. All the potholes between Rydon Cottages towards Blue Anchor have been reported.

Potholes between the Pub and Deep Lane, Cllr Samson was concerned over the possibility of 2 wheeled vehicles going into the holes, as a motorcyclist he considered them potentially lethal for any 2 wheeled motorised vehicle. The Chairman said there had been a report of a car being seen driving backward and forward over the potholes making them worse, the matter had been reported to the Police. The Clerk to contact Highways Officer.

To be reported -

Pothole going from the village towards Clyst Hydon on the right handside just before End Cottage.

Pothole between Larkbeare Cross and Escot Bend on the left towards Escot.

TALATON GARDEN & PRODUCE
ASSOCIATION

Things to do in the garden:-

Place an old bucket or rhubarb forcing pot over your rhubarb crowns to help encourage some delicious early stalks.

Cover any dug soil with polythene to help warm up the soil and dry it out ready for planting next month.

Finish pruning your apple trees.

Pinch the tops out of autumn grown sweet peas to help them make bushier plants.

Feed and mulch fruit trees and bushes.

If the weather is too unfriendly for work in the garden, why not keep planning what you want to grow and where you want to grow it. It is unwise to keep growing the same crop in one spot. This could cause a build up of specific pests and will certainly deplete the nutrients that particular crop uses.

It is time to chit your seed potatoes in a cool, light, frost free place. Check stored vegetables, for signs of rot, or animal damage. Hungry mice have already found my potato store in the garage.

What about making some marmalade and saving the best looking pot for our August Show! Yes, let's be positive and plan for the best show ever, our 70th annual show postponed from 2020. If we find it cannot happen, well at least we should have some tasty veg, fruit and preserves to enjoy and some beautiful flowers to admire.

And..... Please keep feeding the birds and making sure there is plenty of water for them.

Happy gardening!

News from Talaton Community Shop

Talaton Community Shop

*Talaton Community Shop?
What happened to “The Village Shop”?*

Nothing has happened.
It's the same shop with the same spirit
and still staffed by our wonderful volunteers

So it's just a change of name then?

It's not even that. This has been our registered business
name for some years now.

We are just seeking to clarify our corporate identity so
that we have the same name above the door and on
our advertising as we do with our bank & HMRC.

*For the record, can you confirm that there are no
other changes to our wonderful shop?*

No, I can't because the shop has been completely
redecorated throughout and refurbished with a new
floor so the shop has definitely changed.

Changed for the better?

Of course!
But don't take my word for it;
come and see for yourself!
