## Editorial

As we head into a lovely summer, the garden is alive, the grass is growing and its raining outside.... Didn't someone say we might have a heat wave this year??

Its been a relatively quiet month, but the good news is that Voneus has started the fibre to property project, and we can see the work done so far. Their service in our experience has been very good, but the broadband itself can run quite slow sometimes of high demand, so we welcome this major upgrade. It is to be hoped that most of the work can be kept underground, as the BT poles were removed in the early 1990's.

On the front cover in this issue are two gentlemen who along with 3 other girls and one boy, were the subjects of the recent production of "Talaton a Wartime Refuge." They are Gerd and Manfred Korman, Polish Jewish children brought here, in the Kinder transport from Poland. They are seen visiting Rose Cottage, Newtown, where they stayed with us in the village in those dark days of 1939.

Keep safe and well.....

Editor - Simon Spencer

## Talaton Parish Council Report

The following are major items from the minutes but a full copy of the minutes may be viewed on both Parish Noticeboards and on the Parish Web site

[www.talatonparishcouncil.co.uk](http://www.talatonparishcouncil.co.uk)

### Meeting 4<sup>th</sup> May 2022

**To elect a Chairman:** Cllr Lenehan was proposed by Cllr Walker, this was seconded by Cllr Hawkins, all in favour. There being no other proposals Cllr Lenehan duly accepted.

**To receive Chairman's acceptance of Office:** - Cllr Lenehan signed the acceptance of office.

**To elect a Vice Chairman:** Cllr Hawkins proposed Cllr Walker. Cllr Walker said she felt she was not quite ready to take on the role. On asking for other nominations Cllr Hawkins was proposed by Cllr Boss, this was seconded by Cllr Peters, all in favour.

- I. To receive and note Internal Audit Report – Report received and signed by Mr N. Ralph.
- II. To consider and approve Annual Governance Statement – Cllrs considered and approved the statement which was then signed.
- III. To approve and sign Annual Accounting Statement – Cllrs approved the statement which was then signed.
- IV. To consider and approve Application for Exemption from Audit- the application for exemption was approved and signed.

**All the above proposed by Cllr Gray, seconded by Cllr Wood, all in favour.**

- V. To set date for Public Rights Notice – dates for displaying the notice commence on Monday 13<sup>th</sup> June 2022 until Friday 22<sup>nd</sup> July 2022.

### Correspondence/ Verbal communications received:

**Neighbourhood Plan** – email from a resident enquiring if there was a Talaton Neighbourhood Plan. Cllr Lenehan had replied that following a public meeting with a representative from EDDC, given the lack of interest, plus the huge task and cost of creating a Neighbourhood Plan (two years of work requiring the help of a large team of volunteers and several thousand pounds) the PC had decided not to proceed.

**New Barn Farm** – email from Elgin Energy- change of name for the Solar Farm also an offer to meet with the PC to which Cllr Lenehan had responded thanking them for their offer to update the PC on the plans but pointed out that until they are submitted as an official Planning Application, such notifications are irrelevant. The PC has no authority outside of a PC meeting, and cannot have private meetings of any kind. It would seem more appropriate to share the amendments with the local residents, rather than the Parish Council.

### Parish Maintenance -

- Parish Maintenance: Items requiring attention –
- Pothole near top of the hill before turning to Long Range
- Road subsiding on the bend at Bittery Cross towards Rydon.

**Date of next meeting-** the next meeting will be on Wednesday 1<sup>st</sup> June 2022

*Funds towards the CHC&SC pavilion refurbishment appeal*

Thank you to all those who contributed to our plant stall on 7<sup>th</sup> May and to those who came to buy. There were some really choice plants on offer. I hope you kept watering them well to give them a good start in what turned out to be quite a dry period. You helped us raise £149.50 which will help with the expenses incurred for our Annual Show and Pumpkin Competition.

Jobs for June ..... weed, water, mulch! Feed tomato plants when the first fruit sets and pinch out their side shoots. If you leave these shoots then energy will be diverted into them rather than your crop of fruits. Of course there are always exceptions to rules - don't pinch any side shoots off your free Otter Tumbler tom. Tumblers work better for you, as little bush shaped plants.

Mid summer's day should be the time to stop cutting asparagus, give it some well deserved food and let the shoots grow and flourish until they go brown in the autumn. This will give them a chance to make food for themselves and hopefully give you a good crop in 2023.

If you haven't already done so, build supports for climbing beans.

Dead head your annuals and perennials to promote more flowers.

Don't forget to tend some of your crops and flowers so that they are ready for our Annual Show on Saturday 6<sup>th</sup> August! More about the show in next month's Calendar, but in the mean time how about taking a day off and joining our trip to Greenway on 25<sup>th</sup> June. Sign up and pay in the Community Shop.

Happy Gardening

## Talton a Wartime Refuge

Being of the generation that grew up in the shadow of World War 2, I have always studied it and visited many places in pursuit of my interest. I have visited Auschwitz, which belies description and is very emotional, so knew the basics of the awful persecution of the Jews by the Nazis and their followers. Before the war started, many Jewish families were trying to leave the countries in Europe for safer places. Many adults could not get on the approved lists to go, but transport for just the children was organised from Germany, Austria and Poland under the Kinder Transport system.

Only the children were allowed to leave, imagine the heartache of the parents having their families split and children removed, to another unknown (to them) country that would take them. Imagine the impact on those young children torn from their parents to go to who knows where.....

Tom Samsons "Play A Wartime Refuge" which was staged here recently, is the story of just some of those Polish children who came to this country seeking refuge. A story largely unremembered in this village. A story of unimaginable sadness for the children and of the kindness shown to them by the Village in their hour of need. Gerd and Manfred Korman, pictured on the front cover are two of the three boys and three girls who came here, and the story mainly covers their experiences.

## TALE VALLEY folk SESSIONS

## Young Community Theatre 4All

A Drama group for children in  
school years 4 to 9

## About Young Community Theatre 4All

Following the highly successful Community Theatre 4All production of "Joseph and the Amazing Technicolor Dreamcoat" in March 2020 when a cast of 30 adults were joined by 20 children it was obvious that we needed to open a group for younger members. After a long pause, caused by Covid, the children's group was formed in October 2021 and gave their first performance of an original piece based upon the children's book "Where the Wild Things Are" by Maurice Sendak.

Next year the group will be working on a major piece of children's musical theatre called "Rats!" – an up-beat retelling of the story of "The Pied Piper of Hamlyn". Rehearsals for this show will begin in October.

For children who wish to be involved in "Rats!" this is the time to join the group, to come and make friends and discover what working with Frances and me is like. In the months of May, June and July the group will meet in Talaton Parish Hall from 4.30 to 5.30 on the first Tuesday of the month. Each of these summer sessions will be independent of the others, so if your son/daughter is unable to attend one of the sessions that is not a problem. There will be no meetings in August or September and from October the group will meet every Tuesday in Talaton Parish Hall, initially from 4.30 to 5.30 but then as rehearsals develop the group will go on to 6.00pm. There will be no charge for the Summer Term 'Taster Sessions' but in the Autumn and Spring terms there will be a charge of £25 per term to cover hall hire fees and contribute towards the production expenses.

Young Community Theatre 4All is lead by Tom and Frances Samson, both experienced retired teachers. Tom was a Drama and Theatre teacher and both Tom and Frances have enhanced DBS clearance.

For this project the group will be joined by Julia Green. Julia is well known and respected for her musical work in Whimble, the surrounding villages and in Exeter.

A Helping Hand When You Need It Most

Ottery Help Scheme is launching its 30th anniversary celebrations this month. 30 years supporting the local community is a great achievement for all staff, volunteers, trustees and supporters!

### **30th Anniversary Events**

We are looking to raise awareness of the Ottery Help Scheme at a number of up-and-coming events. One way we are hoping to do this is by engaging the community in small activities, that will attract sponsorship or donations, based around challenging yourself to do 30 of something, anything! This could be a mentally stimulating activity such as 30 cross-words in 30 days, to a personal physical challenge of 30 miles on your bike, or 30 walks around your garden. The possibilities are immense! We hope younger children might get involved, challenging themselves to read 30 books, or learn 30 new words in 30 days, or a physical challenge with friends. Our aim is to promote overall wellbeing whether you are 5 or 85, through any activity which stretches you.

Get your friends and family to sponsor you, or donate to OHS, to mark your endeavours and support the local community: it's a win-win situation! Please contact the OHS office to get more details and a sponsor form:

- Tel. 01404 813041
- Email. [info@otteryhelpscheme.org.uk](mailto:info@otteryhelpscheme.org.uk)

We already know that one OHS volunteer has decided to challenge themselves to walking 30 miles in a day, endeavouring to walk between all the localities supported by OHS. Please look out for a black Labrador and a white-haired walker in your area on Thursday 30<sup>th</sup> June!

## Rainfall at the Cobblers & Parish Hall 100 Club

### Rainfall at the Cobblers in Talaton during April

The April showers were in short supply during last month. The UK in general had 3<sup>rd</sup> less rain than normal.

In the early part of the month 15ms of rain in the first 10 days, there after we only had a further 8ms until the end of the month. Our total rain in April was 23ms or 0.95 inches!

The highest temperature recoded by the Met office was 23.4C in St James Park, London on the 15<sup>th</sup>, and the lowest was -8.0C recoded in Tilloch Bridge in Inverness-shire on the 1<sup>st</sup>. on the 4<sup>th</sup> 62.4ms or just over 2½ inches fell at Achfary in Sunderland and 10 cm of snow fell on Redesdale Camp in Northumberland.

Here in Talaton during April we had 22 days with no rain, 4 nights of frost and our yearly total now stands at 6.91 inches.

There are lots of ways to be involved in  
this exciting project.

As well as performers, we also need help with:  
back-stage crew;  
props; costumes; choreography;  
stage managing;  
scenery building/painting.

If you think you're too mature to be part of a  
chorus of young girls...don't panic, we are going to  
have a posse of 'maiden aunts & chaperones'!

## **Otter Valley Dementia Awareness Group formerly The Dementia Steering Group for Ottery St Mary and surrounding communities**

We are pleased to announce our new title based on it being less cumbersome and we hope more inclusive of all the parishes which we reach out to.

Working in conjunction with Ottery Help Scheme all our efforts coincide with developments of this very well recognised and accepted group in our community especially as OHS recognises its 30<sup>th</sup> Anniversary.

The Otter Valley Dementia Awareness Group now take the lead on the running of the Memory Cafe held at the Cricket Club. This regular event on the calendar brings individuals together in social and mentally stimulating activities to support those with memory related issues. Partners are welcomed though for some a chance for a bit of time to themselves. Details of the group are available through the OHS office telephone no. 01404 813041.

Our next big event will be on ***Saturday 12<sup>th</sup> November*** with the theme ***Live Well Age Well*** this will be an informative day at The Institute with an emphasis on keeping well and active, all the opportunities there are in our community which encourage social, physical and mentally stimulating engagement. Why it is important to keep up regular health checks for men and women, not neglecting failing hearing or changes in vision as well what community voluntary opportunities there are. In all it will be day of displays and a number of short workshops which will be advertising nearer the time. So put the date in your diary and tell your friends and family in and around OSM of what will be a free interesting pop in event with light refreshments. With this newsletter for details nearer the time.

Any queries or suggestions or if you would like to join the Otter Valley Dementia Awareness Group please make contact: Jill Dudding on Email: [jilldudding16@hotmail.com](mailto:jilldudding16@hotmail.com) or Tel: 07999 487537
