Editorial

Our sincere condolences to Pat Rice who recently lost his wife Joy.

I was pleased to hear positive thoughts from several people in the village following my last Editorial wondering about the future of the Calendar. Thank you to those of you who responded. However please see the article in this edition regarding costs.

The Parish Hall AGM was held on the 7th October and the Committee was re-elected en bloc. This was followed by a full committee meeting where many matters were discussed including the redecorating that has just started, and the 100 Club. The next issue will see the finished Hall which we all hope you will enjoy.

The Shop AGM was also held after the Hall's on a different night and was better attended. Several constructive discussions occurred.

Our quiz planned for Friday 15th November has had to be postponed.

The How do ye Do is on 7th December, and we have a potential Call my Bluff in the New Year. Watch these spaces and Talaton Talk.

What a lot of rain we have had recently. Yesterday our outside buckets collected 11 cms of rain. That's over 4 inches!

Ottery Help Scheme

For anyone new to the locality, Ottery Help Scheme is a registered charity which serves the communities within the Coleridge Medical Centre boundary. Our remit is to offer a wide range of services to support residents whether it be transport to and from medical appointments, joining one of our groups which include: Friendship Group, Memory Cafe, Seated exercise, Music Group, Board Games group and creative workshops. We also manage the Hospital League of Friends minibus, so Wellbeing trips out to the coast and our beautiful countryside are a regular feature. Other support is available through our Home Help service, a monthly free legal advice clinic and befriending face to face or over the phone. In order for all of these activities to take place we are always eager to recruit new volunteers to support our wide range of activities.

Volunteering is a great way to support your community as well as give yourself a sense of purpose and pride. Being a volunteer should not feel like an onerous task, it's for you to do as much or as little as you choose and it's a great opportunity to meet new people and have fun along the way. From making phone calls to making cakes, every skill is equally valued. We know that the approach of Autumn and Winter can be a difficult time for people and having a routine can be very beneficial, if you would like to build volunteering into your weekly or monthly routine, please give us a call on 01404 813041 or drop into to see us at 11 Silver Street, Ottery. We are open from 8.30 to 4 and are always happy to welcome people in for a friendly chat.

We'd also like to warmly welcome Andrea to our staff team. Andrea has started as our Admin Assistant, with a particular focus on our transport service. Our staff member Rachel has moved to the new role of Community Connector with us, with more information about this role to appear in next month's Gazette.

Ottery and District Health Matters

Health and Wellbeing Event on Saturday 23rd November

A working group from the Ottery and District Health Matters group is organising an event at the Coleridge Medical Centre to bring the community up to date with the range of Health and Wellbeing support available in our local area.

There will be exhibitions from a range of statutory and voluntary organisations showing how they can support you through the impact of the winter months along with general advice on keeping yourself physically and mentally healthy.

What is Ottery and District Health Matters?

It is a forum where key health and wellbeing stakeholders from across our community can come together to share and discuss current issues. The group has a strong collaborative and supportive ethos. Our aim is to contribute to the improvement of health and care services across our community. The group will act as a central point for exchange of information on what is working well locally, what needs improvement, as well as identifying gaps in provision.

Talaton Parish Hall 100 Club

Talaton Parish Hall – 100 Club Changes

It has been almost 40 years since the Talaton Parish Hall (TPH) 100 Club was introduced and during that time there has been no change in the annual subscription.

At the latest AGM it was agreed the time has come to introduce a change, not only to increase membership numbers, but most importantly, to increase prize amounts so they are more in keeping with current day living costs. The name of the club will also change and be called the 100+ Club allowing more members to join.

Rather than enforce a change on current members there will be an option from 1st January 2025 to change to a new DOUBLE UP subscription, which as the name suggests, will double your prize money if you are a winner. Obviously, to make this viable the subscription fee will need to increase to £2 per month/per number. Anyone signing up to the new subscription will also be entered into a bonus Christmas Hamper Draw which will contain goodies for the festive season.

To help with the transition of this new subscription, existing or new members are asked to sign-up by 31st January 2025. This will ensure there are sufficient funds available to support the bigger prize amounts throughout the year and also help with the management of future subscriptions.

HOW TO SIGN UP

Existing Members

For existing members there are 3 options to sign-up to the DOUBLE UP subscription:

- Cash in your existing membership and use the remaining credit towards the new subscription (i.e. if you have 7 months left on your membership as of 1st January 2025 this will give you £7 credit which means your new subscription will cost just £17 for the year (£24 - £7 = £17)
- Keep your existing membership number and sign up for the new subscription at £2 per month/per number (£24 per annum). You will be given a new 100+ number in addition to your existing membership number. Please note, only DOUBLE UP Subscription numbers will qualify for a double up prize and be entered into the bonus Christmas Hamper Draw. When your existing £1 per month subscription expires you will be asked if you want to keep your old number and transfer it to your new subscription. At that point your 100+ number will become available to new members.
- Remain on the old £1 per month/per number subscription. If you remain on this subscription your prize money will not be doubled if you are a winner and you will not be entered into the bonus Christmas Hamper Draw

New Members

For new members wishing to sign-up to the 100+ Club all you need to do is contact the Club Administrator on the email address shown below.

tph100club@gmail.com

To help with the management of the club it is asked for you to pay via DD, SO or BACs and to provide an email address and mobile number which can be used to communicate monthly draw winners and renewal subscription reminders.

Rainfall at the Cobblers

Rainfall at the Cobblers in Talaton During September

The weather report for September.

September was an unsettled month across the UK. Scotland was lucky with relatively dry and sunny weather, while the rest of us had a particularly wet and dull month. There was flooding in the Midlands, Herefordshire and Swansea had over 3½ inches of rain in one day!

Here in Talaton it was also very wet. I measured a total of 5.4 inches of rain, last year it was 4.6 so it looks as if Septembers are becoming rather wetter than they used to be.

The total rain fall for the year so far is 35 inches last year it was 27.26 inches.

The Talaton Calendar has been running in its present format since the early 1990s. Both Arnie and I will be time expired soon!

Initially we set the costs for advertising as low as we could to encourage advertisers and we may still have some originals on board. The new format Calendar was printed at cost initially by John Carter when at Lashbrook Farm, and then by Larkbeare Services courtesy of Dennis Oakley. Following Dennis's death, this facility diminished. Arnie and I then started to print this by hand, purchasing printers and consumables and putting it together page by page in Arnie's conservatory.

In that time we kept the same philosophy in our advertising rates, and having kept costs low we built up a small back-up fund, which we have used to maintain matters since.

However this DIY system of printing could not continue and a change of printing method was found with professional printers who have been superb, and up until COVID costs were reasonable. But like all things costs are rising significantly and we now have to pass this onto the advertisers who support us so well.

Printing costs started at £140 per month and they are now £220. Advertisers have left us, down-sized their adverts, and donations have dried up recently. Since COVID we have lost money to the point of a thousand pounds this past year in advertising revenue.

Our reserves could keep the Calendar in print for a limited time, but we should not run them down to zero, and it cannot continue with the present level of advertising income.

To stay afloat our adverts need to be re-costed and a 50% initial rise will be applied in this year's bills which will be going out in November. We will have to raise them again next year simply to break even.

If the Calendar is to continue this shortfall has to be plugged and advertising is the only plug we have.

TALATON GARDEN & PRODUCE
ASSOCIATION

In the past few days, (2nd week of October), Talaton has experienced leaden skies, incredibly heavy downpours, roads becoming rivers, floods, but today the village has been bathed in glorious autumn sunshine. May be this is not such great weather to do all

those tidying up jobs in the garden. Autumn colours are slow to arrive this year.

I know I am repeating myself but, if you do manage to have a bonfire, don't forget to check that no hedgehogs have taken shelter underneath before you set light.

There is still time to plant green manure if you have some bare ground. It will compete with weeds and add nutrients and humus to your soil when you dig it in in the Spring. Broad beans can be planted now to give an earlier crop next year. Beans planted now will not be as readily infested with aphids as those planted in Spring. It is not too late to plant sweet pea seeds and garlic bulbs, if you have not already done so.

I hope you enjoyed our pumpkin competition, whether as a competitor or a viewer and have been inspired to have a go next year.

Next on the agenda is our **AGM**. Do join us in the Parish Hall on

Wednesday 13th November,

7 pm for refreshments before the 7.30pm meeting.

It is the time to renew your membership, which is still the princely sum of £5 per family and to pick up your Dobies catalogue. If you fancy taking a more active role do come along and chat to members of the committee. We do not bite!

The committee will try to race through the essentials of an AGM before we all sit back and enjoy another interesting talk by

Andrea Rye, of Combe Garden Centre

This could be a very spicely talk. Don't miss it!

In the meantime, don't forget to leave a few windfalls for the birds. Blackbirds and other thrushes love apples and might eat a few slugs and snails while they are at it.

Finally a plea to all our members to donate produce, plants, gardenalia to our stall at the How D'ye Do. Nickie Bitschi will be happy to accept donations nearer the time, as will Pam Weston. All proceeds go to the Parish Hall. We like to do our bit!

Finally, don't forget to look on our website. This year's Pumpkin entries will be there for you to admire.

December's Calendar will have the details.

Talaton Parish Council Report

The following are major items from the minutes but a full copy of the minutes may be viewed on both Parish Noticeboards and on the Parish Web site www.talatonparishcouncil.co.uk

INFORMATION FROM THE MEETING OF 2ND OCTOBER 2024

PUBLIC FIFTEEN-MINUTE OPEN FORUM

DCC Cllr Iain Chubb was welcomed to the meeting. He spoke about DCC matters but primarily about the meetings he had attended; the Devolution deal (which had now been signed off) and the increase in pothole repairs being carried out by DCC. Cllr Chubb would forward a full report of his DCC activities to the Clerk shortly. He reminded the Council to check that the Parish grit bins were full; that the Clerk to report the missing chevron sign again to DCC (and to copy him into the e-mail) and he advised of the Locality Budget which the Council could apply to, for funding for projects that met DCC's criteria. He advised that the deadline for applications was February 2025.

EDDC Cllr Richard Jefferies had advised by e-mail that he had been working on representing the tier 4 villages in the area that have had housing allocations proposed as part of the local plan. He had also attended an East Devon National Landscape (formerly AONB) workshop as the EDDC Cllr representative and chair of the East Devon National Landscape Partnership

ALLOTMENTS UPDATE AND ANY ACTIONS TO BE AGREED

The Clerk advised:-

- I. i.SWW's contractors should have completed the tree trimming on the boundary between the allotments and the treatment works this week
- II. ii. The Council **RESOLVED** to permit Plot 5B being let to a

Talaton Parish Council Report Cont'd

non parishioner. The Council was of the view that as no parishioners had come forward for plots, than rather than leaving 5B unused, that it be offered to a non-parishioner who was keen to cultivate it. The Clerk would let the applicant know that he had been successful. *Proposed by Cllr Bos and seconded by the Vice-Chair*

- III. The plot holder of 5B who had recently taken up her tenancy, wished to convey her thanks to the Council for arranging to trim and cover Plot 5B
